The Taiwan Law Firm prosecuting the counterpart parent Taiwan patent application no. 92101406, filed January 22, 2003, and interfacing with the law firms prosecuting foreign counterpart applications outside of Taiwan, through no delay on its part, received the search report on May 23, 2006 from its Chinese associate handling the prosecution of the counterpart Chinese patent application. The references cited on the attached FORM PTO/SB/08A were cited in a counterpart Chinese patent application in a search report, date stamped March 31, 2006, that was received by the Taiwan Law Firm interfacing with the law firms prosecuting the Chinese patent application and the above-identified patent application on May 23, 2006. Each reference is relevant because it was cited in a counterpart foreign application. Copies of each reference and, where appropriate, an English translation thereof, are enclosed. A copy of the search report, in Chinese, is also enclosed.

The delay between the March 31, 2006 date stamp on the search report and the Taiwan Law Firm's receipt of the search report on May 23, 2006, was not due to any delay on its part.

M.P.E.P. §609.04(b)III (copy attached hereto as Exhibit I) recites:

**The requirements of 37 CFR 1.97 provide for consideration by the Office of information which is submitted within a reasonable time, i.e., within 3 months after an individual designated in 37 CFR 1.56(c) becomes aware of the information or within 3 months of the information being cited in a communication from a foreign patent office in a counterpart foreign application. This undertaking by the Office to consider information would be available throughout the pendency of the application until the point where the patent issue fee was paid (BOLD added).**

In view of the foregoing statement in M.P.E.P. §609.04(b)III and further in view of the submission of this IDS within 3 months of the Taiwan Law Firm's receipt of the search report on May 23, 2006, it is believed that this submission is proper. Accordingly, the examiner is requested to indicate his consideration of each reference cited on the attached FORM PTO/SB/08A and to indicate such consideration by including his initials and date of consideration in the appropriate box adjacent each cited reference.
